## PAPYRI

The Scientific Journal POPYRI constitutes an annual online periodical review of the Academy of Institutions and Cultures, in which texts related to the realm of Philosophy, History, Archaeology, Social Sciences, Ethnology, as well as to Humanities in general are published. Also, articles are published with a reference to the History and the Philosophy of Natural Sciences, and generally, everything that promotes the interdisciplinary Research. The publications appear in Greek, French, English, German, Italian, Spanish, and Russian language and are subject to the approval of the Scientific Committee, after they have been reviewed, provided that the publishing specification guidelines are satisfied.

The choice of the Internet as a publishing medium of the Scientific Journal POPYRI relies on the fact that the Internet constitutes a modern medium for the transmission of Knowledge, since it offers immediacy, easy and free access, as well as the possibility of reproduction and archiving, due to the disposal of the texts in digital form. The Internet effectuates one of the primordial needs of Humanity, the one of the global access to Knowledge.

---

Supplement of the PAPHOS is the DELTI, in which scientific articles are republished, therefore the initial source is mentioned. In order to assist the new scientists, Ph.D. Dissertations and Postgraduate Theses, whose content stays in accordance with the Philosophy of the Academy of Institutions and Cultures, are also published.

The aim of the edition as a whole is the composition of a Corpus of Paideia, leading to the development of a Cosmo-systemic Epistemology.

The published articles are ordered according to the surname of the author and the sequence of letters in the Greek alphabet.
